UNBRIDLED STYLE AT KIPS BAY DECORATOR SHOW
HOUSE

JANUARY 2011

NANCY BOSZHARDT'S "THE LANDING"

What makes Nancy Boszhardt's treasure trove of a space so enchanting is her careful attention to detail. Richly sophisticated, the walls are covered in custom shagreen wall panels from [Laszlo](#). Silk taffeta curtains, made by Schneller & Sons, reminiscent of a ladies' ball gown adorn the passageways. Boszhardt's 1940's Grosfield House chairs are embroidered by Penn and Fletcher in her signature motif.
